

Roe Lane Surgery

Coronavirus in Numbers

Throughout the COVID-19 Pandemic, the Surgery has remained open and provided additional capacity to our Patients through new digital consulting solutions.

We also opened over the Bank Holiday Weekends.

We are now starting to reflect on the past 8 months and wanted to share some information with our Patients. Data has been gathered between **March 1st to October 16th 2020** for **4038 Patients registered** with Roe Lane Surgery.
